

Customer Service Initiative: CSI Dallas

The Year in Review and Work Plan for 2007

Presented to the Quality of Life Committee
February 12, 2007

CSI Dallas: Vision Statement

- The City of Dallas is committed to quality customer service. We value and respect our customers. The City of Dallas will be a high-performing, quality customer service organization by 2008.

CSI Dallas: Goals

- Improve the delivery of City services by instilling Quality Customer Service (QCS) as a fundamental behavior exhibited by all employees as they deliver City services. The CSI Dallas team will work to accomplish this goal by taking the following actions:
 - Define how we will know if this goal is being met and how we will communicate our progress to appropriate audiences
 - Oversee the continued development and implementation of the citywide Customer Service Plan and cultural change process
 - Provide guidance and recommendations to the City Manager and Strategic Customer Service on customer service strategies.
 - Keep departments on track to meet deadlines and accomplish the QCS plan
 - Coordinate work between the tactical teams and departments to eliminate duplication of effort

CSI Dallas: 2006 Accomplishments

- Successful citywide customer service kickoff:
 - Received many positive comments about the kickoff including that it inspired some employees to do a better job
 - Distributed DVDs of the City Manager's customer service message and featured speaker's training (Michael Hoffman) to departments
 - Produced ten additional vignettes to further emphasize the message that our employees are the "Face of Dallas"

CSI Dallas: Program Oversight

- CSI Dallas Oversight Team (8 members) coordinates activities and provides guidance to:
 - Four tactical teams (11-18 members each) responsible for addressing specific aspects of customer service:
 - Hiring and Training
 - Marketing and Communications
 - Performance Measures
 - Recognition and Morale

Tactical Teams

Hiring and Training

Hiring and Training: Purpose

- To develop and implement **hiring** and **training** processes to ensure that Quality Customer Service becomes standard in the City of Dallas.

Hiring and Training: 2006 Accomplishments

- Implemented Level I basic customer service training:
 - Coordinated with CMO, HR, DCTV, CIS, and every department to produce over 30 individual sessions at facilities across the City
 - Trained 100% of departments reporting to the City Manager (5 trainers provided training to approximately 10,000 employees)
- Developed recommendations for instilling customer service in the hiring process
 - Increased emphasis on “hire for attitude, train for aptitude”

Hiring and Training: Work Plan for FY2006-2007

- Fully incorporate Level I training into New Employee Orientation
- Begin Level II job-specific training to civilian and uniformed employees
 - Administrative and Professional
 - Field and Operations
 - Fire Uniform
 - Police Uniform
- Begin Level III highly specialized and other training research and planning processes

Tactical Teams

Marketing and Communications

Marketing and Communications: Purpose

- To assist the CSI Dallas in achieving its goal by developing and overseeing implementation of an **internal** and **external** communication plan to communicate the contents, expectations and successes of the customer service program initially to all the City Employees and later to the Citizens of Dallas, respectively.

Marketing and Communications: 2006 Accomplishments

- Created and promoted slogan and logo to promote customer service initiative to internal customers: “Dallas, Together we do it better”
 - Coordinated development and placement of minimum 500 posters and 25 large banners with the new logo to City facilities
 - Coordinated selection of promotional items and distributed to employees
- Advertised customer service initiatives and events including:
 - Customer service initiative kickoff in January 2006
 - Administrative Professionals Week in April 2006
 - Customer Service Level I training classes
- Reminded employees of the importance of customer service through a series of announcements with customer service tips, a customer service “pop quiz”, and placement of customer service announcements on bulletin boards, departmental newsletters and pay stubs
- Created a web page, the “Customer Service Corner” on the City’s Intranet home page

Marketing and Communications: Work Plan for FY2006-2007

○ Internal Communication Plan

- Coordinate presentation of Customer Service Training Videos to employees utilizing intranet page and in-house cable TV broadcasts
- Improve internal communications utilizing the intranet
- Develop, coordinate and promote “Spotlight on Customer Service” program to recognize employees for customer service
- Announce employee recognition and promotions
- Create name for and promote the 2nd Annual Customer Service Kickoff Training Meeting to be held in February 2007
- Develop and publish bilingual customer service tips and messages

Marketing and Communications: Work Plan for FY2006-2007

○ External Communication Plan

- Develop list of names for Branding City Hall's customer service efforts to our external customers for the City Manager's and City Council's consideration and approval
- Promote the Customer Service Initiative to our citizens through our website, bill inserts, public service announcements and other available media
- Communicate our message in multiple languages based on demographics
- Develop, coordinate and promote an external "Spotlight on Customer Service" program to hear from our citizens when they receive good customer service. Publicize story with picture of employee(s), citizen(s) and Councilmember for that District, on the City's website, and announce to the media

Tactical Teams

Performance Measures

Performance Measures: Purpose
