Suhm, City Manager Rosa Rios, City Secretary Tom Perkins Jr., City Attorney Craig Kinton, City Auditor Judge Daniel Solis, Administrative Judge Municipal Court A.C. Gonzalez, First Assistant City Manager Jill A. Jordan, P.E., Assistant City Manager Forest Turner, Assistant City Manager Joey Zapata, Assistant City Manager Jeanne Chipperfield, Chief Financial Officer Karl Zavitkovsky, Director, Office of Economic Development J. Hammond Perot, Assistant Director, Office of Economic Development Stephanie Pegues-Cooper, Assistant to the City Manager

### Downtown Connection TIF District – Budget Amendment

### Economic Development Committee April 15, 2013

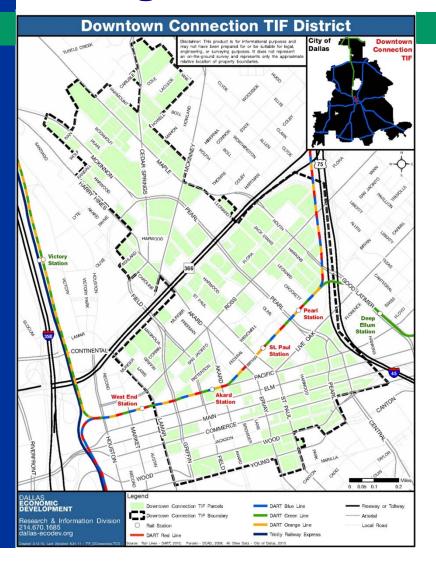

## **Purpose**

- Provide background and update on the Downtown Connection (DC) TIF District
- Review Budget Amendment
- Obtain Economic Development Committee approval for City Council consideration of the following items:
  - Call a Public Hearing on April 24, 2013 to Amend DC TIF Plan and Budget
  - Conduct a Public Hearing on May 22, 2013
  - Approve Proposed DC TIF Plan and Budget amendments

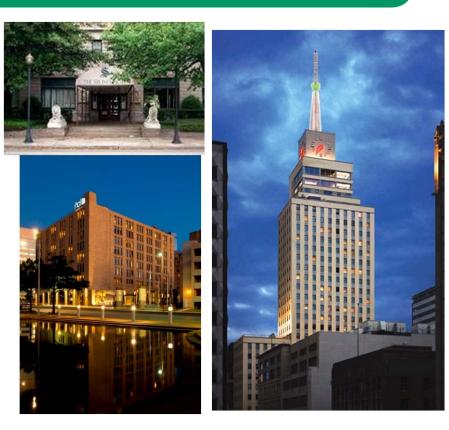

### **Background**

- DC TIF District created June 2005
- Project Plan and Reinvestment Zone Financing Plan approved August 2005
- Expires December 31, 2035, or when NPV of \$189.8 million (\$391.7 million total dollars) in TIF increment collected
- Established to fund projects creating a greater density/critical mass of development within Downtown core area

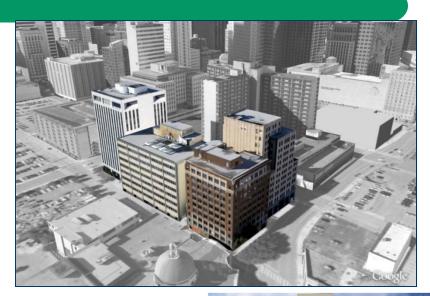

## Initial Efforts – 2005-2008

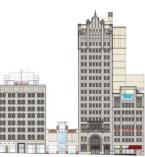

- Initial project for the TIF was the Mercantile Block
- Limited new development between 2005 – 2007
  - Stoneleigh Hotel renovation
  - Aloft Hotel
- Many false starts
  - Tower Petroleum
  - 500 S. Ervay
  - 1600 Pacific

## Improving Market – 2009-2011

- Beginning in 2009, focused partnership efforts supported the renovation and reuse of several downtown core buildings redevelopment of:
  - Joule Hotel
  - Continental Building
  - Atmos Complex
  - Tower Petroleum and Corrigan Buildings

### TIF Budget Insufficient to Support Implementation of Downtown 360 Plan

- Downtown Connection TIF budget insufficient to complete district's mission and support implementation of the Downtown Dallas 360 Area Plan - Only \$16M remains in funding capacity (\$3M for project incentives)
- Funding still needed for the following:
  - Renovation of remaining vacant core buildings will require assistance:
    - 1712 Commerce Street 1401 Elm Street

Praetorian block

411 N. Akard Street 400 N. St. Paul Street

### TIF Budget Insufficient to Support Implementation of Downtown 360 Plan

- Funding still needed for the following:
  - Buildings such as the Statler and Library - lack development partners to complete renovation work and will require additional public financial support
  - Improving ground floor conditions - disconnected retail/vacant ground floor space detracts from occupied upper floors of buildings
  - Encourage Mixed Use Housing -Affordable residential units will not keep pace without additional incentives

## **Downtown Dallas 360 Area Plan**

- The Downtown 360 Plan was adopted by City Council in 2011.
- The Plan provided a shared vision for Downtown's future and implementable, targeted recommendations to ensure downtown Dallas is a vibrant urban center.
- Focus Areas of the Plan included:
  - Farmers Market
  - Lamar Corridor
  - Main Street District
  - South Arts
- Main Street Retail Activation Strategy completed to address street level vibrancy in the core Office of Economic Development 8
   WWW.DALLAS- ECODEV.ORG

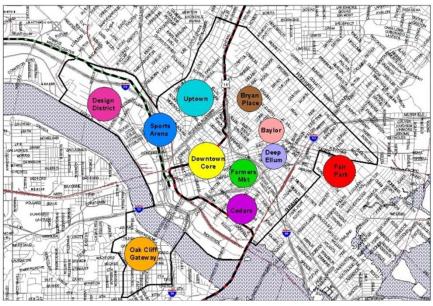

## **Downtown Dallas 360 Area Plan**

- Specific Downtown 360 Plan Recommendations include:
  - Extend the Term of Downtown TIF Districts
    - Farmers Market Approved in March 2013
    - City Center Approved in December 2012 and increased boundary to include the West End and Lamar Corridor
    - Cedars Approved in June 2011
    - Downtown Connection Proposed amendment will complete this process
- By amending the DC TIF Budget and Plan the district will continue to implement the Transformative Strategies of the Plan:
  - Expand Transit and Realize TOD Potential
  - Create Vibrant Streets and Public Spaces
  - Ensure Great Urban Design
  - Diversify and Grow Housing
  - Reform the Approach to Parking

## **Proposed DC TIF Plan Amendments**

- Increase total budget for DC TIF District by \$154M (from \$392M to \$546M in total collections) to support ongoing redevelopment efforts to achieve critical mass of development in the downtown core area (See Appendix A)
- Expand the downtown core to strengthen efforts to increase connectivity between the downtown core and growing downtown areas such as the Farmers Market, West End, Arts District, Uptown, Deep Ellum and Fair Park

## Summary: Benefits to the City

- Supports efforts to reach "critical mass" downtown with the ability to encourage (over the remaining term of the TIF) an additional:
  - 2,500 residential units
  - 300,000 square feet of new and renovated retail space
  - 750 hotel rooms
  - 2,000,000 square feet of new and renovated office space
- The District's value is estimated to grow to over \$2.5B between 2014 and 2035
- In addition to property tax collections on base value, property in the DC TIF District will contribute approximately \$1M annually to the general fund between 2014 and 2035
- In 2036, approximately \$30 million in property tax revenue will flow to the City's general fund

## Summary: Benefits to the City (Continued)

- Strengthens connection between redevelopment occurring in the Main Street district to other downtown destinations: Farmers Market, West End, Arts District, Deep Ellum, Fair Park and Uptown
- Continues to provide TIF funding for redevelopment of last remaining vacant buildings and upon redevelopment of remaining vacant buildings
- Supports ground floor activation and occupancy within the core
- Expands the downtown core and redevelopment momentum beyond the Main Street area
- Provides a source of funding for the next phase of development within the District, surface parking lots, undeveloped or underdeveloped parcels and underutilized buildings

## **Recommendations & Next Steps**

### Recommendations

- On April 24, 2013, Call a Public Hearing to be held on May 22, 2013 to consider budget and plan amendments to the Downtown Connection TIF District Project Plan and Reinvestment Zone Financing Plan
- Hold a Public Hearing on May 22, 2013, to receive citizen comments on the proposed amendments to the Downtown Connection TIF District and Project and Reinvestment Zone Financing Plans
- At the close of the Public Hearing, Consider approval of the proposed amendments to the Downtown Connection TIF District and Project and Reinvestment Zone Financing Plans

### Next Steps

LTV Tower Redevelopment Project

# APPENDIX

### **Appendix A: Proposed Budget Amendment**

Current Projected Increment Revenues to Retire TIF Fund Obligations A B C A-C B-C								
Category	A Existing TIF Budget <sup>1</sup>	в Proposed TIF Budget	C Allocated <sup>3</sup>	Existing Total Dollar Balance	Proposed Total Dollar Balance			
<b>Catalyst Projects:</b> - Environmental remediation, demolition, historic façade, restoration, street/utility improvements & streetscape improvements, land acquisition, and non project costs, including, but not limited to machinery, equipment, materials and supplies	\$68,000,000	\$68,000,000	\$68,000,000	\$0	\$0			
Redevelopment of Vacant/Underutilized Downtown Buildings, Underdeveloped Parcels, Surface Parking Lots - Environmental remediation, interior/exterior demolition, historic façade restoration, street/utility improvements, land acquisition, TIF grants, affordable housing	\$156,652,741	\$309,043,392	\$153,389,725	\$3,263,016	\$155,653,667			
Uptown/Downtown connection improvements	\$0	\$0	\$0	\$0	\$0			
Park and plaza design and acquisition	\$3,095,852	\$3,534,594	\$0	\$3,095,852	\$3,534,594			
Affordable Housing <sup>2</sup>	\$3,000,000		\$2,000,000	\$1,000,000				
Retail Initiative/Streetscape Improvements	\$1,985,000		\$459,845					
Downtown Area Plan	\$515,000	\$515,000	\$512,464	\$2,536	\$2,536			
Administration and Implementation	\$8,132,568	\$9,285,109	\$617,914	\$7,514,654	\$8,667,195			
Debt Service (Interest Only)	\$150,363,000	\$150,363,000	\$150,363,000	\$0	\$0			
Total Project Costs	\$201 744 4C2	\$545,726,096	¢075 040 040	¢40,404,044	\$170,383,148			

<sup>1</sup>TIF Budget shown above in total dollars; TIF Project Plan shows the budget in net present value.

<sup>2</sup>The Affordable Housing line item has been reduced by the amount of money allocated to the Continental

project

The Allocated total shown for the Redevelopment of Vacant/Underutilized Downtown Building line item reflects the total TIF District's commitment to projects currently in the Reimbursement Queue

### Memorandum

#### DATE April 12, 2013

<sup>TO</sup> Members of the Economic Development Committee: Tennell Atkins (Chair), Ann Margolin (Vice Chair) Jerry R. Allen, Sheffie Kadane, Monica Alonzo

### SUBJECT LTV Tower (1600 Pacific) Redevelopment Project – Downtown Connection TIF District

On Monday, April 15, 2013 the Economic Development Committee will be briefed on the LTV Tower (1600 Pacific) Redevelopment Project – Downtown Connection TIF District.

Briefing material is attached.

Should you have any questions, please contact me at (214) 670-3296.

14- s E\_\_\_\_

Ryan S. Evans Assistant City Manager

C: The Honorable Mayor and Members of the City Council Mary K. Suhm, City Manager Rosa Rios, City Secretary Tom Perkins Jr., City Attorney Craig Kinton, City Auditor Judge Daniel Solis, Administrative Judge Municipal Court A.C. Gonzalez, First Assistant City Manager Jill A. Jordan, P.E., Assistant City Manager Forest Turner, Assistant City Manager Joey Zapata, Assistant City Manager Jeanne Chipperfield, Chief Financial Officer Karl Zavitkovsky, Director, Office of Economic Development J. Hammond Perot, Assistant Director, Office of Economic Development Stephanie Pegues-Cooper, Assistant to the City Manager

### LTV Tower (1600 Pacific) Redevelopment Project Downtown Connection TIF District

Economic Development Committee April 15, 2013

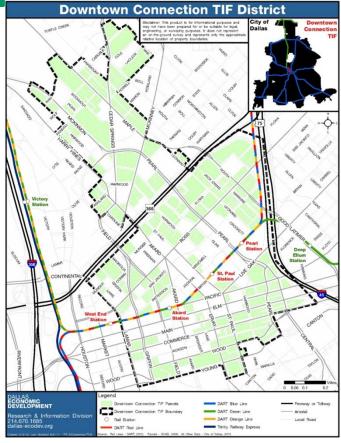

## **Purpose**

- Provide background information on Downtown Connection (DC) TIF District
- Review the LTV Tower (1600 Pacific Ave.) Redevelopment Project
- Obtain Economic Development Committee's approval for consideration of the project by City Council on May 22, 2013

## Downtown Connection TIF District Background

- Created June 2005
- Project Plan and Reinvestment Zone Financing Plan approved August 2005
- Expires December 31, 2035, or when approximately \$545.7 million in TIF increment has been collected (NPV of \$231.6 million)
- Established to fund projects creating a greater density/critical mass of development within Downtown core area

## **Downtown Connection TIF District TIF Budget**

Downtown Connection	TIF District		
Current Projected Increment Revenues	o Retire TIF F	und Obligati	ons
Category	Estimated Total Dollar TIF Budget	Allocated <sup>3</sup>	Estimated Total Dollar Balance

### LTV Tower Background: *TIF #1*

### • TIF #1 – Ricchi Dallas Investments, LLC

- Ricchi acquired the building with financing from First National Bank of Edinburg, after bank foreclosed on former owner
- Council approved a development agreement with Ricchi in 2010 to clean and renovate the building
  - Project was phased with completion dates for each stage
  - TIF funding not to exceed \$12,870,200 was dedicated to the project
- From 2010 to 2012, approximately \$27M was spent for renovations
  - Includes \$4.7M for ground lease acquisitions
  - Exceeds minimum private investment requirement of \$26,430,000
- Lengthy negotiations between Ricchi and Radisson to finish out and occupy floors 1 through 18 of the building collapsed in 2012
- Interior finish out of lower floors were not completed, a requirement of full reimbursement
- First National Bank encountered regulatory issues and is unable to provide additional construction financing for the project

### LTV Tower – TIF #1 Status of Renovation

### **Stages of Development**

**Stage 1** - Asbestos abatement, removal of the obsolete operating systems for the building and demolition of interior wall for all 32 floors, except the elevator areas. Interior space will be opened up and cleaned down to the concrete.

**Stage 2** - Renovation of the elevator systems, roof, windows, restoration of the exterior of the property to its original condition, installation of new heating and air conditioning system

**Stage 2** - Renovation of the lower four floors of building to leasable condition or renovation of approximately 56,000 square feet of gross commercial space

**Stage 3** - Finish out of an additional 60,000 square feet of space or 6 additional floors

**Stage 4** - Completion of 120 rental parking spaces in the Property

Office of Economic Development WWW.DALLAS- ECODEV.ORG

## LTV Tower: HRI Acquisition

- Historic Restoration, Inc (HRI Properties), a New Orleans based, full service real estate development company, has contracted with Ricchi to purchase the property and plans a mixed-use hotel and residential build-out
- HRI Properties has redeveloped 60+ projects nationwide totaling \$1.78 billion (See Appendix H Company Information)
- Deal structure requires the following:
  - Amendment of TIF #1 Development Agreement with Ricchi to allow HRI Properties to fulfill remaining finish out requirements
  - Execution of Development Agreement with HRI Properties for redevelopment of LTV Tower
  - Assignment of TIF #1 payments to First National Bank
  - Execution of TIF #2 Grant Agreement with First National Bank to facilitate existing lien releases

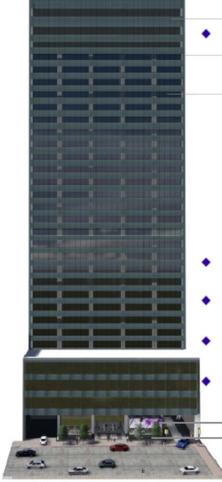

## LTV Tower: *TIF #1 Development Agreement Amendment*

- Existing improvements become eligible for reimbursement (up to \$12,870,000) upon purchase of building and closing of construction loan by HRI Properties
- HRI Properties acquisition date is 9/30/2013
- Uncompleted work related to TIF #1 becomes responsibility of HRI Properties
- HRI Properties provides City with Completion Guarantee and agrees to minimum net worth and liquidity covenants
- Project's General contractor provides a performance bond
- Reimbursements associated with TIF #1 assigned by Ricchi to First National Bank (See Appendix A – TIF #1 Conditions of Funding)

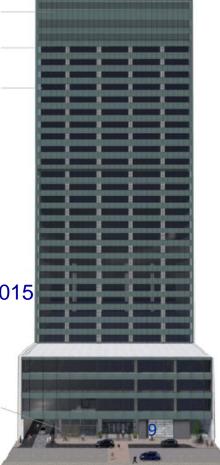

### LTV Tower Redevelopment: *Project Description*

### Conversion from vacant office space to mixed use:

- 171 Hotel rooms on floors 1, 5 thru 14
- 206 parking spaces on floors 2 thru 4
- 186 Residential units on floors 15 thru 32 (19 affordable units)
- 2,000 square feet of meeting space
- 152 parking spaces under the building
- Project Start Date: December 31, 2013
- Project Completion Date: September 30, 2015
- Total Project Cost: \$67,520,108
- **TIF Request**: \$17,500,000

Office of Economic Development WWW.DALLAS- ECODEV.ORG

PACIFIC AVENUE ELEVATION

### LTV Tower Redevelopment Project: Funding Sources and Uses

Funding Source	Amount		Use
Private Equity	\$21,335,433	32%	Acquisition and Construction
Historic Tax Credits	\$11,784,675	17%	Construction
Construction Loan	\$34,400,000	51%	Construction
Total	\$67,520,108		

### HRI Properties Redevelopment Agreement: Key Conditions

- Minimum private investment for construction/construction-related soft costs = \$35M
- Project shall include:
  - Minimum 140 Residential Units (180K Sq. Ft.)
  - Minimum 145 Hotel Rooms (180K Sq. Ft.)
  - Minimum 120 Parking Spaces
  - Minimum 15,500 retail/commercial ground floor space (inclusive of ground floor hotel space)
- Start construction by 12/31/2013
- Certificate of Occupancy within 24 month of construction financing closing (9/30/2015)
- Minimum 25% of total net leasable square footage of retail/commercial ground floor space leased within 45 days of CO
- Minimum 10% or residential units meet affordable housing standards for 15 year period
- Review of project design by Urban Design Peer Review Panel

## HRI Properties Redevelopment Agreement: *Key Conditions* (continued)

- Residential portion of project managed by HRI Management Corp.
- Hotel brand to be approved by Director of OED and DC TIF Board
- M/WBE Goal: 25% of TIF Reimbursable construction expenses and Good Faith Effort of 25% private construction costs
- Project deadlines can be extended up to 6 months, subject to approval of DC TIF Board and OED Director
- See Appendix B LTV Tower Development Agreement Conditions

## **TIF #2 Grant Agreement**

- Recommended TIF Grant of \$17.5M to First National Bank
- First National Bank is eligible to receive available payments subject to the following conditions:
  - Closing of construction financing to redevelop LTV Tower
  - Execution of a Completion Guarantee by HRI Properties to include minimum net worth and liquidity covenants
  - Evidence of a Performance Bond by the project's General Contractor
  - Evidence of equity investment for the project
- First National Bank releases existing liens to facilitate collateralization of construction financing
- See Appendix C LTV Tower TIF #2 Funding Conditions

### **TIF #2 Grant Agreement Justification**

- Redevelopment of the building is not possible without public subsidy
- Finish out of the building would not occur, but for TIF funding
- TIF funding facilitates:
  - Pay down of debt on the building
  - Release of existing liens on the building
  - Purchase of the building by HRI Properties
  - Deliverance of a clean title for the building to HRI Properties
  - Use of building as collateral for construction financing for the project

Budget Line Item	Amount
Economic Development TIF Grant	\$17,500,000
Total TIF Funding Proposed	\$17,500,000

### **Unusual TIF Reimbursement Structure**

- TIF #1 and TIF #2 reimbursements paid to First National Bank instead of developer (HRI Properties)
- TIF Reimbursement to First National Bank becomes available when tax increment is generated and is not contingent on project completion
- First National Bank is enabled to treat debt obligation as a non-real estate asset for regulatory purposes
- Lien release facilitates use of building as collateral for new construction financing
- City protected by:
  - HRI Completion Guarantee with minimum net worth and liquidity covenants
  - General contractor performance bond
  - Construction lender and private equity investors highly motivated to ensure buildout completed
  - Final \$1M of TIF #2 Grant contingent on project completion

### TIF #1 and TIF #2 TIF Board Recommendations

- On March 21, 2013 the Downtown Connection TIF District Board of Directors recommended approval of the following:
  - An amendment to the development agreement with Ricchi Dallas Investments, LLC removing finish-out requirements and assigning TIF reimbursement payments to First National Bank (See Appendix A for funding conditions); and
  - A Development Agreement with 1600 Pacific Landlord, LLC (HRI Properties) for the completion of remaining portions of Stage 2 and Stage 3 work described in the development agreement with Ricchi Dallas Investments, LLC and finish out of the entire building with hotel and residential uses (See Appendix B for Development Agreement Conditions); and
  - A Grant Agreement with First National Bank for TIF incentives associated with the LTV Tower Redevelopment project in an amount not to exceed \$17,500,000 (See Appendix C for Grant Agreement funding conditions)

### **Strategic Importance of Proposed Project**

- Continues strategic redevelopment of vacant buildings in downtown's core
- Returns a vacant historic building back to use
- Removes over 500,000 square feet of vacant office space from downtown vacant building inventory
- Adds 180+ residential units, 10% of which must be affordable, to the downtown residential stock
- Creates ground floor activity on Elm Street and Pacific Avenue
- Begins to strengthen linkage between the Main Street and Pacific Avenue
- Maintains downtown redevelopment momentum
- Creates a new hotel with shared amenities and additional downtown <u>hospitality</u> jobs

### **Staff Recommendations**

- Staff requests ECO Committee approval for Council consideration of the following:
  - An amendment to the development agreement with Ricchi Dallas Investments, LLC; and
  - A Development Agreement with 1600 Pacific Landlord, LLC (HRI Properties) for the completion of remaining portions of Stage 2 and Stage 3 work described in the development agreement with Ricchi Dallas Investments, LLC and finish out of the entire building with hotel and residential uses; and
  - A Grant Agreement with First National Bank for TIF incentives associated with the LTV Tower Redevelopment project in an amount not to exceed \$17,500,000.

## APPENDIX

### **Appendix A: Development Agreement Amendment TIF #1 Conditions of Funding**

- Require only the completion of Stage 1 and a portion of Stage 2 (renovation of the elevator systems, roof, windows, restoration of the exterior of the property, installation of core components of a new heating and air conditioning system), which the City will acknowledge has been completed upon 1600 Pacific Landlord, LLC's acquisition of the LTV Building; and
- Allow TIF #1 to be in full force and effect upon the 1600 Pacific Landlord, LLC's acquisition of the LTV Building; and
- Remove defaults and other contingencies to payment of the TIF #1 reimbursements, and the City will acknowledge that such TIF #1 reimbursement payments have been fully earned as of 1600 Pacific Landlord, LLC's acquisition of the Project and are not subject to offset or reduction; and
- Set a deadline of September 30, 2013, for 1600 Pacific Landlord, LLC's acquisition of the LTV Building, which may be extended by the lesser of 90 days or the number of days Ricchi Dallas extends 1600 Pacific Landlord, LLC's right to purchase the LTV Building beyond September 30, 2013, subject to approval of the Director of the OED

### Appendix A: Development Agreement Amendment TIF #1 Conditions of Funding

with such approval not being unreasonably withheld; and

- Provide that in the event 1600 Pacific Landlord, LLC fails to acquire the LTV Building and close project construction financing by September 30, 2013, or the extended deadline, amendments (1), (2) and (3) above shall be null and void and the "CO Date" as defined under the existing TIF #1 documents shall be extended by a period of 6 months, plus the number of days of such deadline extension; and
- Require upon 1600 Pacific Landlord, LLC's acquisition of the LTV Building, the City will consent to an amended and restated assignment by Ricchi Dallas to First National Bank of the TIF #1 reimbursement payments.

 Minimum private investment of \$35,000,000 for the Project for construction and construction related soft costs; and

The term "Invest" or "Investment" means the sum of all, construction costs (hard and soft) paid, payable or actually incurred by or on behalf of the Owner, with respect to the Property and the improvements thereon. Construction related soft costs include the following items: architecture and engineering, interior design, remediation and demolition. Carrying or other similar costs shall not be considered toward this definition of project investment. The owner must provide verification of all expenditures.

- Redevelopment of the Project shall include:
  - Minimum 15,500 square feet of retail/commercial ground floor space (inclusive of ground floor hotel space);
  - Minimum 180,000 square feet of residential space (approximately 140 residential units);
  - Minimum 30,000 square feet of parking space (approximately 120 parking spaces); and
  - Minimum 180,000 square feet of hotel space (approximately 145 hotel rooms).

- Obtain a building and/or demolition permit and start construction and/or demolition for the Project by December 31, 2013; and
- Obtain a Certificate of Occupancy (CO) for the Project within 24 months of the Project's construction financing closing; and
- Obtain final acceptance of public infrastructure improvements associated with the Project, as evidenced by the issuance of a Green Tag from the Public Works and Transportation Department by December 31, 2015 and submit documentation to the Office of Economic Development (the "OED"); and
- Execute an Operating and Maintenance agreement for public infrastructure improvements associated with the Project by December 31, 2015, for a period of 20 years; and
- A minimum of 25% of the total net leasable square footage of retail/commercial ground floor space must be occupied within 45 days of obtaining a CO for the Project; and

- Mixed Income Housing: A minimum of 10% of the Project's total residential units must meet affordable housing standards in accordance with the District's Mixed Income Housing Guidelines. The requirements on the Project related to providing mixed income housing shall be documented in a deed restriction on the Property. These guidelines require, but are not limited to, the following:
  - Affordable units must be available for a 15 year period (from the date of CO).
  - If the total number of affordable units drops below 10%, a 90-day compliance period will be granted.
  - Submit semi-annual reports to the OED Staff (from the date of CO).
- Prior to City Council consideration, review of the Project's design by the Urban Design Peer Review Panel (UDPRP), an independent group of design, engineering, and/or planning professionals selected by the Dallas City Manager, is required. The UDPRP shall review and provide recommendations on the Project's design to the TIF Board for their consideration. The Project's design plans shall include:
  - A site plan showing the location of parcel boundaries clearly differentiating publically
     accessible space from private space.

- A pedestrian lighting plan for the site using lighting acceptable to the City and spaced ٠ at approximately 75 feet unless otherwise required by the City's Public Works and Transportation Department. This lighting plan is required for all public and private streets included in the project.
- A sidewalk plan for the project. Sidewalks with high anticipated levels of pedestrian ٠ traffic shall be designed to accommodate the traffic. The sidewalks shall have a minimum 7 foot walking zone and a minimum 3 foot landscaping and lighting zone, where possible. Landscaping and pedestrian lights shall be placed in the area closest to the back of curb for the length of the sidewalk. The plan shall show the location and type of all landscaping materials.
- Elevations for all sides of the building visible from the public right of way, focusing on ٠ the ground floor.
- A valet plan indicating where the vehicular drop off will be located. ٠
- A signage plan for the building.

A pedestrian access plan showing linkage between Elm Street and Pacific Avenue, **Office of Economic Development** 25 WWW.DALLAS- ECODEV.ORG

creating a pedestrian passage way linking Stone Street to Thanksgiving Square.

- Construction of Project improvements and building renovations shall be in general conformance with design plans approved by the Downtown Connection TIF Board of Directors and Dallas City Council; and
- The residential portion of the Project shall be initially managed by HRI Management Corporation which is an approved operator, or a management company acceptable to the Director of the OED, such approval not being unreasonably withheld; and
- The hotel portion of the Project shall be franchised hotel brand acceptable to the Director of the OED, such approval not being unreasonably withheld, until the expiration of the term of the Downtown Connection TIF District. The hotel will be operated by HRI Lodging initially, or another operator approved by the Director of the OED. The Owner shall not change its brand affiliation without the prior written approval of the Director, which approval shall not be unreasonably withheld; and
- Owner shall submit to the Director of the OED a quarterly status report for ongoing work on the Project, as well as public improvements. Status reports will be due once every three months after the Council approval date; and

- Comply with the Business Inclusion and Development ("BID") goal of twenty-five percent (25%) Minority/Women-owned Business Enterprise (M/WBE) participation for TIF reimbursable improvements, and the Owner shall make a good faith effort to achieve a goal of 25% certified M/WBE participation for total private improvement construction expenditures for the Project, and meet all reporting requirements for each; and
- Market the apartments pursuant to an affirmative fair housing marketing plan approved by the City; and
- If the total number of Affordable Units drops below 10%, and noncompliance was not cured within the 90-day compliance period, the Owner shall be required to pay a Penalty Payment until the total number of affordable units provided meets or exceeds 10% of the Project's total residential units. The Penalty Payment shall be an amount equal to two times the property's median monthly rent for market rate units in the project multiplied by the number of Affordable Units required less the number of Affordable Units provided for the property, multiplied by the number of months each unit has been unoccupied. (For example: An owner of a project that has 150 units, a median market rate of \$1,000 and 5 of the 15 Affordable Units are not provided for 6 months each would pay an annual Penalty Payment equal to

\$300,000: 2 X 5 (unoccupied units) X 30 months (5 unoccupied units x 6 months unoccupied) X \$1,000 (median market rate) = \$300,000); and

 If necessary, the Project deadline can be extended up to 6 months, subject to the Office of Economic Development Director's and Downtown Connection TIF District Board of Director's approval.

### Appendix C: LTV Tower TIF #2 Grant Agreement Funding Conditions

- TIF #2 shall be in full force and effect upon closing of the 1600 Pacific Landlord, LLC's acquisition of the Project and satisfaction of the following conditions at such closing:
  - HRI Properties shall submit a Completion Guarantee for the Project, and such guarantee shall include minimum net worth/market asset values and liquidity requirements to be negotiated with the City;
  - 1600 Pacific Landlord, LLC shall close construction financing for the Project and provide documentation of construction financing;
  - 1600 Pacific Landlord, LLC shall provide evidence of Performance Bond by the Project's General Contractor;
  - 1600 Pacific Landlord, LLC shall provide evidence of private equity investment for the Project; and
  - Reimbursement of the final \$1,000,000 of TIF #2 shall be contingent upon completion of the LTV Tower Redevelopment Project and issuance of a final Certification of Occupancy for all portions of the Project.

### Appendix C: LTV Tower Redevelopment Grant Agreement Funding Conditions

- Effective upon closing of Owner's acquisition of the Project, the City will make the TIF #2 reimbursements with respect to the Project directly to First National Bank and that the TIF #2 payments have been fully earned and are not subject to offset or reduction, except reduction of the TIF #2 amount by \$1,000,000; and
- In consideration of (i) the TIF #2 Economic Development TIF grant, (ii) the above listed amendments to TIF #1, and (iii) a partial pay down from the cash proceeds of the sale to 1600 Pacific Landlord, LLC of the Existing Loans to an amount no more than \$22 million, and subject to completion of due diligence and documentation to the satisfaction of First National Bank and receipt of all required approvals, First National Bank will release its Existing Liens on the Property at closing to allow Ricchi Dallas to deliver clean title to 1600 Pacific Landlord, LLC and in order to facilitate the collateralization of the 1600 Pacific Landlord, LLC construction financing for the Project.

### Appendix G: Downtown Connection TIF Reimbursement Queue

 On September 16, 2009, the Downtown Connection TIF District Board of Directors approved a modified Queue Reimbursement method that established a project payment priority based upon the date evidence is provided to the City of the receipt of a building permit and executed construction loan or receipt of final certificate of occupancy for projects approved for TIF Reimbursement.

Reimbursement Priority <sup>1</sup>	Project Name	Priority Date	Construction Status	Primary TIF Reimbursement	Maximum Interest	Total Eligible TIF Reimbursement	Project Generated Increment Only <sup>4</sup>	Reimbursemen Status
1	Stoneleigh Hotel	5/30/2010	Completed	\$2,500,000	\$0	\$2,500,000	Yes	To Be Paid
2	Hall Lone Star <sup>2</sup>	5/30/2010	Completed	\$852,764	\$2,000,000	\$2,852,764	No	To Be Paid
3	Santa Fe IV - Aloft Hotel	5/30/2010	Completed	\$4,296,264	\$0	\$4,296,264	No	To Be Paid
4	1600 Pacific TIF #1	10/26/2010	Under Construction	\$8,830,000	\$4,040,200	\$12,870,200	No	N/A
5	Joule Hotel Expansion	1/19/2011	Under Construction	\$20,658,500	\$0	\$20,658,500	No	N/A
6	Atmos Complex Phase I	6/20/2011	Under Construction	\$3,250,000	\$3,000,000	\$6,250,000	No	N/A
7	Joule Hotel Expansion Amendment	8/10/2011	Under Construction	\$3,194,409	\$0	\$3,194,409	No	N/A
8	Continental Building <sup>3</sup>	9/16/2011	Under Construction	\$13,305,700	\$4,222,588	\$17,528,288	No	N/A
TBD	Atmos Complex Phase II	TBD	Approved	\$11,750,000	\$5,000,000	\$16,750,000	No	N/A
TBD	1914 Commerce Street	TBD	Under Construction	\$13,168,950	\$0	\$13,168,950	No	N/A
TBD	1954 Commerce Street	TBD	Under Construction	\$3,020,350	\$0	\$3,020,350	No	N/A
TBD	Hall Lone Star Project - Phase II <sup>2</sup>	TBD	Approved	\$5,000,000	\$0	\$5,000,000	No	N/A
TBD	1401 Elm Street	TBD	Approved	\$30,000,000	\$0	\$30,000,000	No	N/A
TBD	PetroCorrigan Project	TBD	Approved	\$10,300,000	\$0	\$10,300,000	No	N/A
TBD	500 S. Ervay LTV Tower	TBD	Approved	\$5,000,000	\$0	\$5,000,000	No	N/A
TBD		TBD	Approved (TIF Board)	\$17,500,000	\$0	\$17,500,000	No	N/A

Notes:

<sup>1</sup>The priority ranking of an approved project is established by the submittal of evidence to the City of an executed construction loan and building permit for the project. <sup>2</sup>Hall Lone Star Project, Phases I and II, is eligible to receive up to \$2M in interest. The full \$2M in interest is shown in Phase I of the project.

<sup>3</sup>The Total TIF Reimbursement for the Continental Building project is \$22,528,288 (includes an additional \$5M in bond proceeds)

<sup>4</sup>Based on the development agreement for the project, reimbursement may take the form of project generated increment only or project generated increment plus shared increment.

34

### **Appendix H: HRI Properties Company Information**

- Founded in 1982 and based in New Orleans, Louisiana
- HRI Properties is a full-service real estate development company and a national leader in the adaptive reuse of historic structures and creation of large-scale mixed-use projects.
- HRI Properties has completed 64 large-scale projects totaling \$1.78 billion of development costs, including:
  - 4,897 apartment units and condominiums
  - 283,246 sq. ft. of retail space
- HRI Properties and its affiliates work together as an integrated group to bring a holistic, team approach to public/private partnership real estate development.
  - Architectural service company

Hilton Garden Inn lackson Downtown 235 West Capital Street, Jackson, MS 39201 Main (601) 353-5464 Fax (601) 353-5465

Completed: 2009 Units: 186 Guestrooms Square Footage: Hotel 159,481 Sq. Ft. Retail 2,910 Sq. Ft.

Residential/commercial property management company Construction management company Hospitality property management company

930,060 sq. ft. of office space

3,961 hotel rooms

Hilton Garden Inn Richmond Downtown 230 North 6th Street. Richmond, VA 23219 Main (804) 344-4300 (804) 344-4375 Fax

Humble Tower Hotels Courtvard - Marriott

916 Dallas Street, Houston, TX 77002

Completed: 2001 Units: 191 Guestrooms Square Footage: Hotel 158,000 Sq. Ft. (approx.) Retail 5,800 Sq. Ft.

### Appendix H: HRI Properties Company Information (Continued)

#### Pres Kabacoff, Co-Chairman of the Board of Directors & Chief Executive Officer

Mr. Kabacoff co-founded HRI Properties. in 1982 and serves as its Co-Chairman and Chief Executive Officer. Mr. Kabacoff serves as the Director of Economic Development, Dillard University, New Orleans, Louisiana.

#### A. Thomas Leonhard, Jr., HRI Properties, President and COO

Mr. Leonhard is responsible for all of HRI's operations, which includes 738 employees managing 40 properties in five states. Under Mr. Leonhard's 23-years of service, HRI Properties has successfully completed 55 large-scale projects, including 4,635 apartment units, 3,487 hotel rooms, and over one million square feet of office and retail space, with a total funding value of \$1.6 billion.

#### Steven Nance, HRI Properties, Vice President Development

Mr. Nance is responsible for HRI's acquisition and repositioning of operating hotel properties and also is involved in hotel development opportunities. Since joining HRI in 2008, Mr. Nance has completed hotel acquisitions, repositioning, dispositions and refinancing totaling over \$100 million. Prior to joining HRI, Mr. Nance spent 15 years in commercial banking with J.P. Morgan Chase and Hibernia National Bank, focusing on hospitality, real estate, financial services and energy service companies.

### Appendix I: LTV Tower Redevelopment Development Team

- **Developer**: 1600 Pacific Landlord, LLC (single asset entity formed to redevelop the building)
  - Historic Restoration, Incorporated (dba HRI Properties)
- Architect: HCI Architecture and Merriman and Associates Architects
- Residential Management Company: HRI Management Corporation
- Hotel Management Company: HRI Lodging
- General Contractor: Andres Construction Service, LLC

#### Memorandum

DATE April 12, 2013

<sup>TO</sup> Members of the Economic Development Committee: Tennell Atkins (Chair), Ann Margolin (Vice Chair) Jerry R. Allen, Sheffie Kadane, Monica Alonzo

SUBJECT Creation of a new Public Improvement District (PID): University Crossing PID

On Monday, April 15, 2013 the Economic Development Committee will be briefed on the University Crossing PID.

Briefing material is attached.

Should you have any questions, please contact me at (214) 670-3296.

Ky- s.E

Ryan S. Evans Assistant City Manager

C: The Honorable Mayor and Members of the City Council Mary K. Suhm, City Manager Rosa Rios, City Secretary Tom Perkins Jr., City Attorney Craig Kinton, City Auditor Judge Daniel Solis, Administrative Judge Municipal Court A.C. Gonzalez, First Assistant City Manager Jill A. Jordan, P.E., Assistant City Manager Forest Turner, Assistant City Manager Joey Zapata, Assistant City Manager Jeanne Chipperfield, Chief Financial Officer Karl Zavitkovsky, Director, Office of Economic Development J. Hammond Perot, Assistant Director, Office of Economic Development Stephanie Pegues-Cooper, Assistant to the City Manager

### Creation of a new Public Improvement District University Crossing PID (UCPID)

Economic Development Committee April 15, 2013

### Purpose

 Provide the Economic Development Committee with a brief overview of the proposed University Crossing Public Improvement District (UCPID) located in the area generally between Mockingbird Lane and Lovers Lane east of Central Expressway and west of Greenville Avenue

#### Request approval for Council action on the following items

- May 22, 2013 Call public hearing to be held on June 12, 2013 to consider creation of the UCPID
- June 12, 2013 Hold public hearing and consider creation of the UCPID

### Public Improvement Districts (PIDs) Background

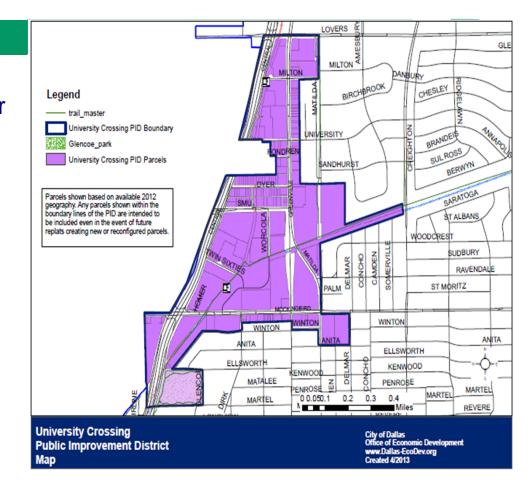

- Public Improvement Districts (PIDs) are special assessment areas created at the request of the property owners for enhanced services like: marketing and promotion, additional security, landscaping and lighting, street cleaning, and cultural or recreational improvements. Property owners pay a special annual assessment used to fund eligible PID expenditures
- The City of Dallas currently has ten PIDs located throughout the City:
  - Deep Ellum PID
  - DID Dallas Downtown
     Improvement District
  - Knox Street PID
  - Lake Highlands PID
  - Oak Lawn Hi Line PID

- Prestonwood PID
- Southside PID
- Uptown PID and
- Vickery Meadow PID
- Tourism PID
- A summary of the Dallas PID Policy is contained in Appendix B

### University Crossing PID Background

The proposed University Crossing PID is located near the Mockingbird DART light rail station, bounded by the following right-of-ways: North Central Expressway Lovers Lane Mockingbird Lane and Greenville Avenue as shown in the map

### University Crossing PID Purpose

The purpose of the UCPID is to:

- Enhance security
- Install landscape improvements
- Promote the University Crossing PID area
- Improve the signage and wayfinding system
- Improve and create public green spaces

### University Crossing PID Creation Requirements

#### Petition Requirement

- Petition of support from owners representing at least 60% of total value of all properties within the UCPID AND
- Petition of support from EITHER at least 60% of record owners of all properties within the UCPID OR at least 60% of the total land area within the UCPID
- Applicant (Prescott Realty Group) submitted formal application containing:
  - Petitions
  - Map
  - Proposed Service Plan for UCPID
  - Assessment Rate & supporting Information

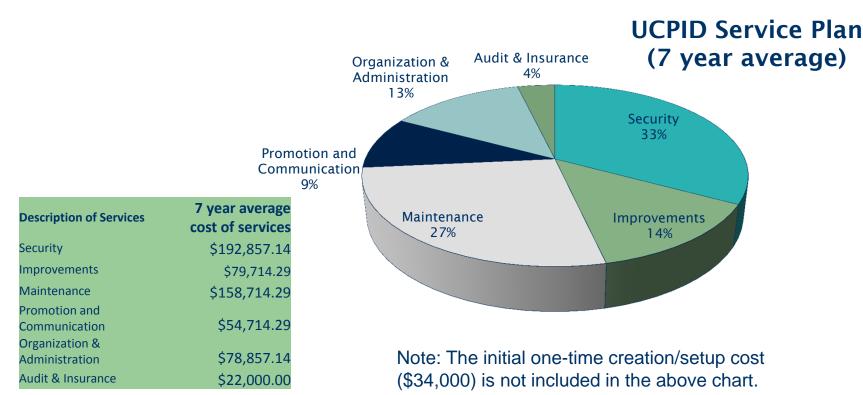

### **University Crossing PID Creation Requirements (continued)**

- Petition Received exceed minimum requirements
  - Petitions received reflected support for the UCPID property owners representing:
    - 61% of property value and
    - 62% of land area

Property Values	Property Values Area (SF)			
\$521,528,032	7,321,689	251		
\$318,059,674	4,560,728	138		
60.99%	62.29%	55%		
I record owners.				
	\$318,059,674 <b>60.99%</b>	\$318,059,674 4,560,728 60.99% 62.29% record owners.		

### **University Crossing PID Proposed Service Plan (continued)**

The University Crossing PID Service Plan is include in Appendix A

### University Crossing PID Assessment

- The proposed UCPID assessment rate is \$0.12 per \$100.00 of appraised value as determined by the Dallas Central Appraisal District
- Annual assessment rate shall not exceed \$0.15 per \$100.00 valuation
- Assessment rate will be reviewed annually by the City Council
- Southern Methodist University (which has tax exempt properties), agreed to participate in the UCPID to pay a special assessment
- Other tax exempt properties like City of Dallas, DISD and DART will not be paying the assessment

### University Crossing PID Management and Operation

- UCPID will be managed by University Crossing Improvement District Corporation, a nonprofit corporation created under the provisions of Section 501(c)(4)
- Subject to the City Council approval:
  - UCPID will operate for seven years
  - January 1, 2014 to December 31, 2020

### Recommendations

- Economic Development Committee recommendation for Council approval of:
  - May 22, 2013 Call public hearing to be held on June 12, 2013 to consider creation of the UCPID
  - June 12, 2013 Hold public hearing and consider creation of the UCPID

#### University Crossing Public Improvement District - Seven-Year Budget

#### NOTES:

The University Crossing PID is anticipated to by approved by the City Council for operation in the 2014 calendar year. 1. Budgets and Expenses for ongoing years will be approved annually by the Dallas City Council.

2. Police patrol of the University Crossing area, owner safety coordination, etc.

3. Public Improvements, landscape, parks and pedestrian amenities for the PID.

4. Sidewalk, public planters, waste disposal, clean area programs, and landscape maintenance throughout the University Crossing area expenses.

University Crossing area coordination among owners, program services for area promotion and awareness. 2014 includes creation of area website. 5.

6. Expenses of the PID and salary of PID director.

- Annual audit of the PID finances and liability insurance for the PID. 7.
- 8. Reimbursement of creation expenses for the PID. This is a one expense at the actual amount of costs incurred in creation.

#### WWW.DALLAS- ECODEV.ORG

## **Appendix B - Dallas PID Policy**

- PIDs are governed by state law (Chapter 312).
- A City policy related to local administration of the PID program was originally adopted in December 2005 and last amended on October 28, 2009.
- Property owners petition the City to create a PID. City Council approval is required to create a PID.
- PID revenue is collected as part of the standard tax collection process. To date, all PID assessments are based on property value.
- Individual PIDs are governed by property owner elected boards and managed by a specifically formed non-profit organization or homeowners' association.

- State law requires that City Council annually adopt an updated PID Service Plan, hold a public hearing and set the PID assessment rate for each district for the upcoming year.
- To create a PID, property owners petition the City Council to adopt a special assessment on all property within PID boundaries for the purpose of improving services and infrastructure with the PID boundaries.
- For new PIDs and PID renewals, the City requires that Owners representing at least 60% of the value and 60% of all record Owners or 60% of land area support the creation of a new or renewing PID.

- In new Single-Family PIDs, the City will require that Owners representing at least 66.7% of the value and 66.7% of all record Owners or 66.7% of land area support the creation of a new PID.
- In Dallas, PIDs are authorized for a period of no longer than seven (7) years with the option of renewal. The renewal process requires preparing a budget, service plan and assessment plan for the district and having property owners sign a petition supporting renewal of the PID.

- A PID application for creating or renewing a PID shall include a section that clearly identifies the benefit of the PID to the affected property owners and to the city as a whole, an assessment plan, and also evidence of insurance.
- PID applications include a map and a legal or clear description of the property included in the District.

- Most of the PIDs are in mixed-use districts but the PID policy allows for the establishment of PIDs in residential districts like Prestonwood.
- The PID Policy does NOT allow the creation of PID Districts in undeveloped subdivisions.
- PIDs are required to be self-sufficient and not adversely impact ordinary service delivery of the City.
- PIDs in Dallas will be allowed to fund any item provided by state law.

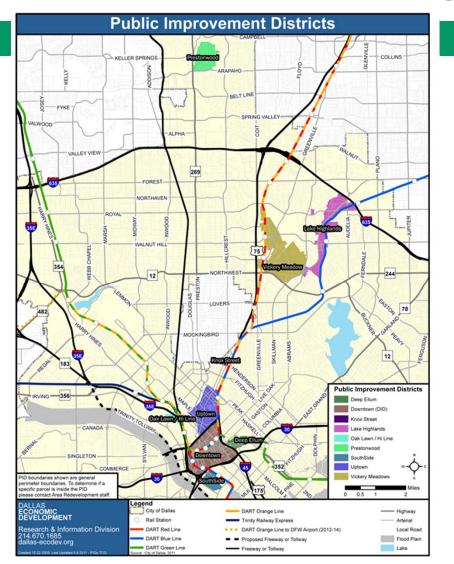

- PID assessments are typically based on a set rate applied to total property value. The maximum PID assessment in Dallas shall be \$0.15 per \$100 valuation.
- PID assessments in the Tourism PID will be a set fee based on hotel collections on rooms.
- Administrative expenses, including costs for day to day City Staff administration, for a PID are limited to 15% of the total budget in any year.

- A PID Service Plan shall contain procedures for the termination of the PID without imposing unintended costs on the City of Dallas. A PID cannot be dissolved without a petition from property owners and must be sufficient as for creation or renewal in accordance with Chapter 372, Section 372.005(b)
- All PID management entities are required to:
  - Submit quarterly reports on activities and expenditures
  - Have an independent annual audit
  - Hold an annual open meeting with at least 2 weeks notice to all property owners for input on the budget and service plan

### Tourism Public Improvement District Summary

- A Tourism PID (TPID) is a Public Improvement District composed solely of hotels, focused on marketing, promotional activities, improving transit connections, attracting conventions, group meetings and increasing hotel activities within Dallas.
- TPID assessment is based on two percent assessment on hotel roomnights sold at Dallas hotels with 100 or more rooms.
- Funding is used for the following expenditures:
  - Incentives 50% of TPID budget used to provide incentives to bring more conventions, meetings and visitors to Dallas
  - **Marketing -** 45% of TPID budget allocated for marketing efforts
  - Administration 5% of TPID budget dedicated for administrative expenses

#### SUBJECT Cypress Waters Municipal Management District Development and Operating Agreement (Cypress Waters MMD), April 24, 2013 Council Agenda

These items represent the next steps in the establishment and operation of the Cypress Waters Municipal Management District (CWMMD), which was created to support the Cypress Waters TIF District, near LBJ Freeway (I-635) and Belt Line Road and within City boundaries. In 2011, Billingsley Development Corporation began to develop 948 acres around the 362-acre North Lake. The first phase of the multifamily portion of the development is due to be completed in 2014.

The next phase of Cypress Waters requires that the water level of the adjacent North Lake be lowered to increase the buildable area of the development.

The City of Coppell owns the lake's spillway and has agreed to lower the spillway (thus lowering the lake level). Luminant owns property next to the lake's spillway and has agreed to grant the City of Coppell the rights required to accomplish this, provided (since Luminant will not benefit from the MMD) the MMD takes some action to protect Luminant from any MMD-related expenses.

Luminant has requested three actions from the Cypress Waters MMD board, all of which require Council approval:

1) A land substitution, to include in the MMD three parcels Luminant is trading to Billingsley and to remove from the MMD one parcel Luminant is receiving from Billingsley. In addition to Council approval, this action requires a now-pending minor amendment to state legislation that governs the district.

2) A grant agreement to repay Luminant (from future MMD revenues, if any) for expenses it incurs from being in the MMD, in the event the state legislation allowing the land substitution is not approved in this session.

3) Assurance that the City retains exclusive rule making authority over any mineral rights in the MMD. That is, Luminant would be required to follow City regulations regarding any drilling or extraction inside the MMD boundary.

These actions require a development and operating agreement between the City and the Cypress Waters MMD. This item proposes a partial development and operating agreement that only provides for these necessary actions. All other potential Cypress Waters MMD activity requiring City approval, including building public improvements, levying taxes, etc., would require an amendment to the development and operating agreement and future Council action.

The development and operating agreement 1) gives the City exclusive rule making authority over any mineral estates in the CWMMD; 2) authorizes the land substitution; and 3) authorizes the economic development grant.

The final portion of the item amends Resolution No. 09-0458 (which consented to the creation of the CWMMD) by replacing the draft legislation in Exhibit A with the final state enabling legislation. Revision of Section 4 of the consent resolution provides for an approval process in the event there are any discrepancies between state law and Resolution 09-0458.

The CWMMD was created by a special act of state legislature codified as Special District Local Laws Code, Chapter 3874 on June 19, 2009, to promote development and redevelopment in the CWMMD.

The final build out of Cypress Waters includes 10,000 residential units, 4 million square feet of commercial space, and an estimated 150,000 square feet of pedestrian-oriented retail space.

- SUBJECT United States Cold Storage Real Property Tax Abatement Agreement Amendment; Council Agenda April 24, 2013

#### **Background**

On Wednesday, April 24th, City Council will be asked to consider amending a real property tax abatement agreement with United States Cold Storage, L.P. (US Cold Storage).

On March 8, 2006, City Council authorized a 10-year, 90 percent tax abatement on added value of real property with Turnpike West, LLC associated with a potential new development by United State Cold Storage, L.P. The anticipated development by United States Cold Storage included the construction of a 500,000 square foot industrial/warehouse facility at an estimated cost of \$16,500,000.

As anticipated, US Cold Storage acquired the property in 2007 from Turnpike West, LLC with plans to build a large climate controlled warehouse that would meet the requirements of the approved tax abatement agreement. The date of substantial completion for the project was December 31, 2008. US Cold Storage put the project on hold indefinitely in 2008 due to the economic downtown.

In late 2012, US Cold Storage decided to move forward with plans to build a new facility and requested a modification of the original abatement agreement. City staff agreed to pursue City Council consideration of extending the required substantial completion of the project from December 31, 2008 to December 31, 2013 but not extend the term of the agreement. The modification will allow US Cold Storage to potentially benefit from the remaining 5-years of the original tax abatement agreement. US Cold Storage has not received any benefit from the agreement to date.

The original agreement required a minimum investment of \$16,500,000. The current anticipated investment for the new facility is over \$25,000,000 in real property and over \$2,700,000 in equipment. Estimated benefit from the tax abatement agreement to US Cold Storage over the proposed remaining term of the agreement is approximately \$897,638. US Cold Storage anticipates 60 employees at the facility.

SUBJECT Actions Related to Setting the Annual Assessment Rate for the Tourism Public Improvement District; May 22, 2013 and June 12, 2013 Council Agendas

#### Background

On May 22, 2013, City Council will be asked to consider a resolution to call for a public hearing to set the annual assessment rate for the Tourism Public Improvement District (T-PID). This rate will not change over the term of the T-PID.

The T-PID was established on June 13, 2012 by Resolution Number 12-1581. The District is located wholly within the City of Dallas. Its boundaries consist of noncontiguous areas authorized under Subchapter 372.0035 of the Act and include hotel properties with 100 or more rooms ordinarily used for sleeping. The District's primary purpose is to provide incentives and increased marketing that will attract more conventions and group meetings to Dallas as authorized by the Texas Local Government Code (the "Act") and approved by the Dallas City Council.

The total estimated cost of services and improvements provided by the District for the five year period is approximately sixty million, seven hundred ninety-seven thousand, seven hundred thirty-one dollars (\$60,797,731). The estimated average annual cost of services for the District is approximately twelve million, one hundred fifty-nine thousand, five hundred forty-six dollars (\$12,159,546). The apportionment of such costs shall be based on 2% of hotel room nights sold at Dallas hotels with 100 or more rooms. The 2% rate will only apply to hotel stays that are subject to the City's hotel occupancy tax.

The T-PID assessment has resulted in approximately \$5.3 million in collections through the 2nd quarter of fiscal year 2012-13. The collections have enabled the Dallas Convention & Visitors Bureau to initiate the "Big Things Happen Here" campaign and secure a variety of 38 events and meetings that will occur in the City over the next 10 years. This represents approximately \$58 million in additional hotel lodging revenue for the District's hotels.

The management group for the T-PID, the Dallas Tourism Public Improvement District Management Corporation, has requested that the start of the District's fiscal year be adjusted from August 1st to October 1st so that it is consistent with the City and the Dallas Convention Center & Visitors Bureau's fiscal year. As a result, the 2013 budget reflects an increase in all categories. The 2016 budget reflects a corresponding decrease. Total funding over the term of the T-PID remains the same.

The assessment rate will be reviewed and approved annually by the Dallas City Council and will be carried out in accordance with procedures stipulated in Chapter 372 of the Act.

Actions Related to Setting the Annual Assessment Rate for the T-PID April 12, 2013 Page 2 of 2

The District shall automatically dissolve on July 31, 2017, unless the District is renewed through the petition and approval process as provided by the Act, or the District is sooner terminated as provided by law. During the term of the T-PID, if required, the T-PID can be dissolved by petitions signed by the majority of the property owners within the public improvement district as provided in Section 372.005(b) of the Act. If the District is dissolved, the District nonetheless shall remain liable for the payment of any indebtedness for the District.

The City desires, by the calling and holding of such public hearing, to provide a reasonable opportunity for any interested person to speak for or against the T-PID's special assessment on Dallas hotels with a 100 or more rooms, to provide funding for the District for the purpose of increasing hotel activities within the City of Dallas.

### SUBJECT: Call and Hold a public hearing to receive comments regarding the renewal of Downtown Improvement District – May 22, 2013 and June 12, 2013 Council Agenda

On May 22, 2013, City Council will be asked to consider a resolution calling for a public hearing regarding the renewal of the Downtown Improvement District (DID) to be held on June 12, 2013.

On April 1, 2013, Dallas CBD Enterprises, Inc., representing property owners of Downtown area delivered to the City of Dallas a petition to renew the DID in accordance with the parameters of Chapter 372 of the Texas Local Government Code.

City staff reviewed the petitions and determined that the owners of more than sixty percent of the property value and more than sixty percent of the land area had signed the petitions for the renewal of the DID. These benchmarks exceed the minimum requirements set in the City of Dallas PID Policy for the City Council to consider creation of the District and exceed State requirements for sufficiency of the petition. Staff has also evaluated the service plan and recommended that the services be made as outlined by the proposed service plan. The plan is viable.

DID was initially established in 1992, renewed in 2001 and 2006. The area is located in Council Districts 2 and 14, consists of approximately 1,777 properties and is primarily a combination of business, office and residential uses. The general nature of the proposed services and improvements to be performed by the District includes the Downtown Safety Patrol program, safety awareness and education programs, the Clean Team program, operation of the mass transportation facilities, landscaping, the banner program, installation and maintenance of trash containers, the promotion of downtown, installation of lighting, the implementation of signage and wayfinding systems, development of new public green spaces, and related expenses incurred in establishing, administering and operating the District as authorized by the Act and approved by the Dallas City Council.

The total estimated cost of services and improvements provided by the District for the seven year period is approximately forty-four million three hundred thirty-nine thousand five hundred fifty dollars (\$44,339,550). The estimated average annual cost of services for the District is approximately six million three hundred thirty-four thousand two hundred twenty-one dollars (\$6,334,221). Properties within the District will be charged with a special assessment to cover the cost of additional services. The following table shows the budget allocations for the next seven years:

A public hearing to receive comments regarding the renewal of the DID Agenda Item, May 22, 2013 & June 12, 2013 April 12, 2013 Page 2 of 4

DID Services (2	2014-2020)	
	Amount	Percentage
Organization & Administration	\$4,670,000.00	11%
Capital Improvements	\$3,770,000.00	9%
Transportation and Improvements	\$2,800,000.00	6%
Communications & Events	\$6,520,000.00	15%
Maintenance	\$9,151,000.00	21%
Safety	\$17,428,550.00	39%
TOTAL EXPENDITURES	\$44,339,550.00	

The proposed assessment rate for the seven year period is \$0.1190 per \$100.00 valuation. The annual assessment rate shall not exceed \$0.15 per \$100.00 valuation. The assessment rate will be reviewed and approved annually by the Dallas City Council and will be carried out in accordance with procedures stipulated in Chapter 372 of the Texas Local Government Code.

The City of Dallas has agreed to pay assessments against exempt City property in the District. The City has been paying an assessment on city-owned property in the DID since 1992. The City signed the petition to continue their support in the renewed DID. The City has participated because of the large amount of City-owned property and employees in the downtown area. The City facilities and employees benefit from the services of the DID. City right-of-way, railroad right-of-way, parks and cemeteries are not specially benefitted and therefore are not subject to an assessment. The approximate total liability for the City for the next seven years would be \$4,050,032 (based on 2012 City participation amount \$578,576).

Subject to City Council approval, the renewed DID will start operating from January 1, 2014 for seven years. The District will be managed through Dallas CBD Enterprises, Inc., a private nonprofit corporation established under the provisions of Section 501(c) (3) of the Internal Revenue Code. The Dallas City Council will review and approve annually the Service Plan and Assessment Plan that determines and levy assessments and conducts other functions as required by the Act. The Dallas CBD Enterprises, Inc., will be responsible for the management of the District.

The District shall automatically dissolve on December 31, 2020 unless the District is renewed through the petition and approval process as provided by the Act. During the term

A public hearing to receive comments regarding the renewal of the DID Agenda Item, May 22, 2013 & June 12, 2013 April 12, 2013 Page 3 of 4

of the PID, if required, the PID can be dissolved by petitions signed by majority of the property owners within the PID as provided in Section 372.005(b) of the Act. If the District is dissolved, the District nonetheless shall remain liable for the payment of any indebtedness for the District.

The City desires, by the calling and holding of such public hearing, to provide a reasonable opportunity for any owner of property located within the District to speak for or against the creation of the DID for a special assessment against each property owner of record for real property and real property improvements to provide funding for the District for the purpose of providing supplemental services and improvements.

The term of the District upon creation is seven years (2014 to 2020). Pending approval, the renewed DID operations will commence next year.

#### SUBJECT Patriot Tower - Council Agenda April 24, 2013

#### **Background**

On September 26, 2012 pursuant to Resolution Nos. 12-2399 and 12-2400, the City Council authorized a 10-year, 90 percent real property tax abatement agreement and a \$2 million Chapter 380 economic development grant with Encore Office to support the redevelopment of Patriot Tower in Downtown Dallas. On December 12, 2012, pursuant to Resolution No. 12-3073, City Council authorized replacing Encore Office with Saint Paul Holdings, LP as the developer and excluding land under the building, subject to two different ground leases, from the proposed tax abatement.

The project includes redevelopment of a 600,000 square foot office building. Half of the building will remain office space and half will be converted to a minimum of 200 modern apartment units. Redevelopment of the office portion of the building will result in retention of Greyhound's headquarters and recruitment of HKS Architects. Work is underway and will be completed in two phases. The office portion of the building is scheduled for completion in August 2013 and the multi-family portion should finish in June 2014.

Since the item was amended in December 2012, the developer has acquired one of the existing ground leases. Staff requests an amendment to the prior City Council approved resolutions to include the acquired ground lease which was previously excluded from the agreement.

This amendment does not change the terms and conditions of the original incentives for the project. The total foregone revenue associated with this 10-year tax abatement is \$2,872,440.

#### <u>Owner</u>

St. Paul Holdings, LP, a Texas limited partnership acting by and through its general partner, St. Paul Holdings GP, LLC, a Texas limited liability corporation Shawn Todd
