Memorandum

DATE: June 13, 2008

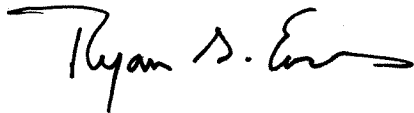

TO: Members of the Public Safety Committee

SUBJECT: Memorandum of Understanding – Dallas Independent School District (Police Department)

This is a proposed Memorandum of Understanding, between the Dallas Police Department and the Dallas Independent School District (Police Department). The agreement covers the Dallas Police Department, Traffic Section, providing 32 school crossing guards and 2 crossing guard supervisors for the school year of 2007-2008. This service will be provided on Mondays, Tuesdays and Wednesdays from 4:30 p.m. and 5:30 p.m., for Elementary Learning Centers. These hours exceed the normal business hours of the School Crossing Unit. The total cost of \$33,201.00 for providing this service will be funded by the Dallas Independent School District (Police Department). This service will ensure the safety of all students required to attend these learning centers.

I recommend that the members of the Public Safety Committee approve the draft Memorandum of Understanding, and refer it to the full Dallas City Council for approval.

Please feel free to contact me for clarification on any of these documents.
