SUBJECT External Auditor Proposals

The Committee's June 28th agenda includes an item to discuss external audit proposals submitted by six firms. You will recall that the BF&A Committee reviewed a draft RFP and directed staff to issue the RFP at the May 24th meeting. Six proposals were received and copies have been distributed to Committee members. Each firm has been asked to prepare an 8 minute presentation and be prepared to address questions the Committee may have.

Attached is an evaluation form based on the Evaluation Criteria established on page 20 of the Request for Proposals. Following the interviews, each Committee member will be asked to evaluate and rank the proposals for the following 3 criteria: prior governmental auditing experience; qualifications of staff; and audit approach. Completed forms will be due on Wednesday, June 30th. The other 2 criteria, fees and M/WBE participation, will be rated by Business Development & Procurement staff, which is the City's procedure for proposal evaluations.

Please let me know if you need additional information.

Memorandum

CITY OF DALLAS

DATE June 24, 2010
TO The Honorable Mayor and Members of the City Council
SUBJECT Financial Forecast Report

An updated financial forecast report for FY2009-10 is attached for April 2010. General Fund revenues are projected to be \$7,876,000 below budget and expenditures are projected to be \$8,100,000 below budget.

The revenue decline is primarily due to Sales Tax that is now projected to be approximately \$6,300,000 less than budget. The Sales Tax forecast assumes revenues remain flat for the remainder of the year.

The reductions in expenditures are a result of operational savings, continued restrictive hiring freeze, reduction in growth in the police force and "belt tightening" throughout the organization. Additional savings are being realized as fuel prices and consumption are lower than anticipated.

We will continue to closely monitor revenues and expenditures and keep you informed.
