SUBJECT **Margaret Hunt Hill Bridge Steel Arrival DVD**

At the August 18, 2009 Trinity River Corridor Project Committee Meeting, we will present a brief video showing the arrival of the steel in the port of Houston, and follow its transport into Dallas and onto the construction site in the floodway.

On August 17, 2009, the Trinity Trust Foundation will be launching a campaign to engage the public in the progress of the bridge construction. The campaign is entitled "Suspense is Building" and will include advertising through a bus wrap and billboards. In addition, you will soon be receiving an invitation from the Trinity Trust Foundation to attend a "Bridging the Trinity" party on September 25, 2009, on the Continental St. Bridge. Meet bridge designer Santiago Calatrava while enjoying food, live music, and a grand view of the Margaret Hunt Hill Bridge construction.

Please let me know if you have any additional questions.
