City Performance Hall

“Parking Garage Use & Development Terms”

Quality of Life & Government Services Committee

Date: September 22, 2008
Public Works and Transportation
Office of Cultural Affairs

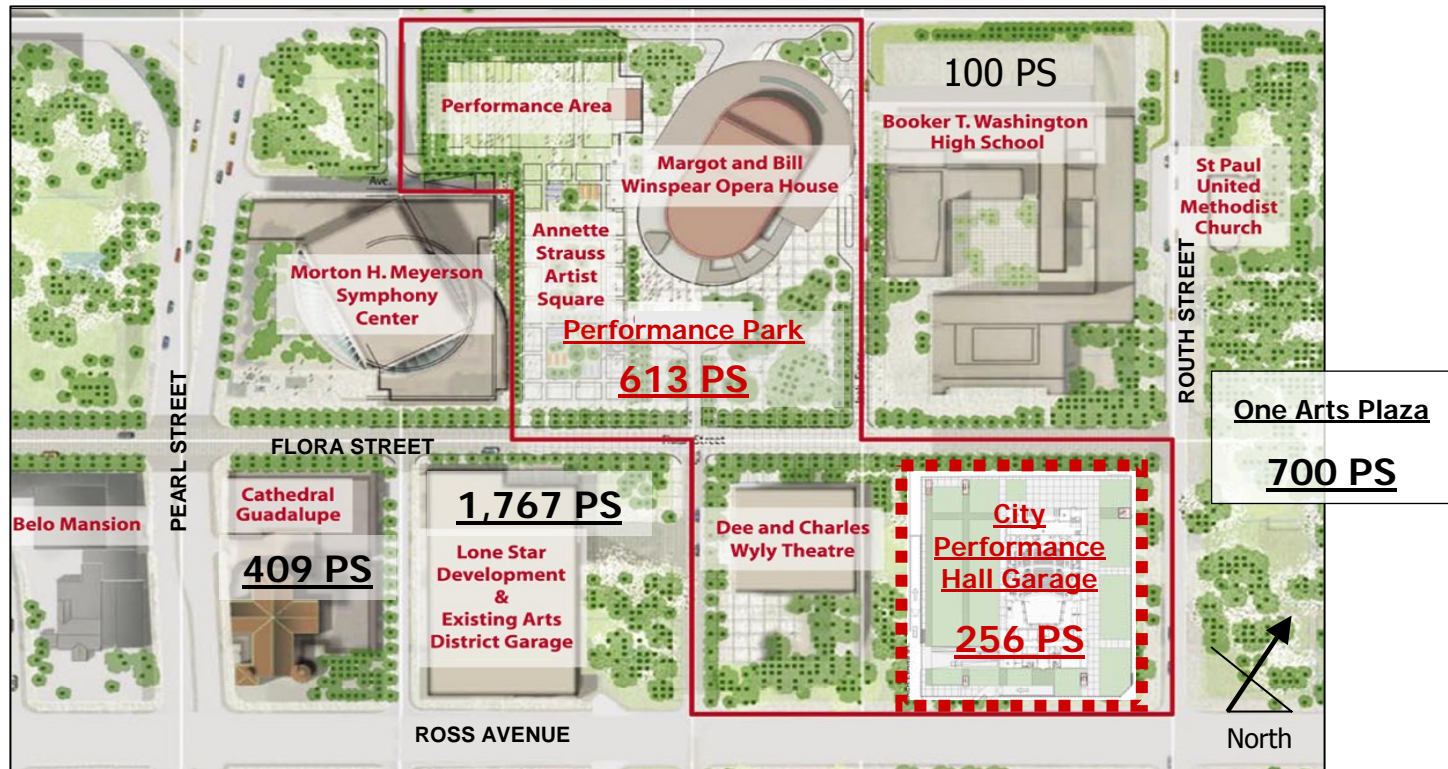

“Briefing Purpose”

- Outline the Development and Use Terms for the City Performance Hall Garage for Committee approval.

“Background”

- ❑ At the January 14, 2008 Committee Briefing, the proposal by The Dallas Center for the Performing Arts Foundation (DCPAF) and The Arts Magnet Building Campaign to build a below grade parking garage to be located under the City Performance Hall (CPH) was presented.
- ❑ Since that last Committee Briefing, City and DCPAF have advanced the project by further defining:
 - Development Scope
 - Parties responsibilities
 - Garage Usage

“Background - Parking”

- ❑ The Dallas Center for the Performing Arts Foundation (DCPAF) has constructed a 613 parking space garage under Performance Park as part of The Dallas Center for the Performing Arts Development Agreement.
- ❑ The DCPAF’s proposal to build a second parking garage located under the City Performance Hall will add an additional 256 parking spaces to the existing parking inventory.

“Parking Garage Development Terms”

- ❑ **Proposed Garage** – DCPAF will construct under the City Performance Hall, a single level, below grade, approx 256 parking space garage. Garage will accommodate a tunnel connecting the Wyly Theatre.
- ❑ **Integrated Project** – Designed garage to be fully integrated structurally and functionally with the City Performance Hall to be built on top of garage.

“Parking Garage Development Terms”

- ❑ **Design Work** - DCPAF is using City Performance Hall’s Architect to design garage.
- ❑ **Construction Manager** - DCPAF is using City Performance Hall’s Construction Manager at Risk (CMR) for construction of garage.

“Parking Garage Development Terms”

□ Construction Costs -

- DCPAF will pay garage construction costs, est. greater than \$10.2M.
- City will pay CPH construction costs, est. \$31M.

□ Construction -

- DCPAF will manage the construction of garage.
- City will manage the construction of the CPH.
- Garage and CPH construction activities can be performed by the CMR simultaneously.

“Parking Garage Development Terms”

□ City Performance Hall Future Project Phases -

- City has the right to construct future phases of City Performance Hall project
- DCPAF agrees that the garage use might be restricted during future construction of City Performance Hall project

“Parking Garage Use Terms”

- In consideration for DCPAF building this additional parking garage, the garage usage priorities will be:
 - Booker T. Washington High School parking needs for:
 - Day time students
 - Performances
 - Wily Theatre Performances
 - City Performance Hall Operations
 - General Public

“Parking Garage Use Terms”

- DCPAF will be responsible and pay for:
 - Operations
 - Maintenance
 - Management
 - Utilities

“Previous Actions”

- ❑ Hired CPH Architect:
 - Programming – June 9, 2004
 - Master Plan / Schematic Design – May 10, 2006
 - Design Development – Construction Administration – June 13, 2007

- ❑ Hired CPH CMR:
 - Design Phase Services – January 23, 2008

- ❑ Performing Arts Center Use and Development Agreement w/ DCPAF – September 28, 2005

- ❑ January 2008 – Briefed QOL on DCPAF request to construct a garage

Next Steps

October 8, 2008 – Seek Council approval of Use and Development Agreement

October 2008 – Issue Building Permit to DCPAF for garage construction following execution of Use and Development Agreement

November 2008 – Bond sale of \$30.8M in Construction Funds for CPH

December 2008 – Seek Council authorization to supplement CMR for Phase 2 Construction Contract
