Community Housing Development Organizations (CHDOs)

- A CHDO is a private, nonprofit, community-based organization with the mission, experience, and capacity to develop affordable housing

Special Opportunities for Certified CHDOs

 - ◆ This averages \$1.5 million per year for the City of Dallas
 - ◆ The HOME Program requires specific project contracting within 2 years and expenditure of funds within 5 years

Special Opportunities for CHDOs (continued)

- CHDOs for the City of Dallas may apply for Operating Assistance Grants up to \$50,000
 - ◆ There is a 5% cap on the City's annual allocation for these funds
 - ◆ The total allocation is funded at the cap or about \$400,000
 - ◆ These funds are typically spent in one year
- CHDOs may access other CDBG project funds
 - ◆ These funds must be committed within one year and spent within two years

Special Opportunities for CHDOs (continued)

- CHDOs may access general obligation bond funds on a project by project basis
- CHDOs have a set-aside under the Mortgage Assistance Program (MAP) for subsidizing homebuyers for their projects
- CHDOs have first right of refusal for Land Bank properties
- CHDOs may acquire tax foreclosed & surplus property under the Land Transfer Program

CHDOs in Dallas

- The City of Dallas currently has eighteen certified CHDOs which are certified annually
- Ten CHDOs are active and represent 100% of production
- The number of active CHDOs has not increased in the last five years but loans & commitments from the City of Dallas have increased from \$3.5 million to \$15 million
- The majority of CHDOs are engaged in single family development (new construction)
- A few CHDOs are engaged in special needs housing and multifamily rehabilitation

- ◆ The Housing Department will also continue to hold quarterly CHDO meetings at which the liaison will be available

Recommendations

Recommendation #2 - MAP Program

- ◆ The Housing Department is recommending an increase in MAP assistance for CHDO produced units to \$25,000 along with a 50% set-aside of funds with partial releases of uncommitted funds at each quarter
- ◆ The Housing Department is working on new manuals for the MAP program which will contain clearer language regarding qualifications for homebuyers and a streamlined process for homebuyer clearance which will be ready by October 31, 2009

Recommendations

Recommendation #3 - Land Bank

- ◆ The Housing Department has developed a format for reporting under the operating assistance grant contracts that allow for the CHDO to report anything of significance in their business to the City
- ◆ With HUD funds paying for housing units, the production numbers will continue to be a focal point

Recommendations

Recommendation #5 - Layoffs in City Attorney's Office & Housing

- ◆ There were no layoffs of attorneys working with the Housing Programs; however, one attorney retired
- ◆ The Housing Department staff will continue to diligently work with the CAO to provide information necessary for contract development, homebuyer closings, or any other legal document needs for CHDOs
- ◆ There were no layoffs in the Housing Department

Recommendations

Recommendation #6 & #9 - Creative Funding for CHDOs

- ◆ The Housing Department has included an additional \$1.3 M in development funds for CHDOs in FY 09-10 budget for a total of \$2.6 M

- ◆ Operating Assistance Grants for \$400,000 and Housing Services Grants for \$100,000 are also included in next year's budget
- ◆ With regard to other financing assistance, the Housing staff will continue to brainstorm with the CHDOs, bankers, foundations, and other financing partners as to the exact product(s) to create for additional programs
- ◆ As the City is notified of NSP2, consideration will be given for grants as part of an overall subsidy strategy per homebuyer
- ◆ Bond initiatives will be discussed in the upcoming fiscal year

- Actual 5 day average from submission to payment (see attachment)
- Only 10% submissions are held for additional information
- If we pay without meeting HUD requirements, we will have to repay with general funds
- Solution: We will hold training for the CHDOs to increase their knowledge and better ensure accuracy

Upcoming Events

- October 2009- MAP kickoff for FY 2009-2010
- October 2009- Award for Operating Assistance Grants & Housing Services Grants
