SUBJECT Trinity River Corridor Project
Fast Track Observation Deck Update

At the April 8, 2008 meeting of the Trinity River Corridor Project Committee, the attached briefing will be presented on the progress of the Fast Track Observation Deck. The presenter will be Bernie Hietbrink, of LopezGarcia Group (one of the consultants on the Lakes Design Team). The Observation Deck will provide a location for visitors to observe the construction of the Trinity River Corridor Project as it unfolds.

This project was recently the recipient of a \$100,000 grant from the Metlife Foundation. As a condition of their grant, this project will be completed by October 2008. We will be requesting the Committee's approval to move forward with the plans to award this construction contract in June 2008.

If you have further questions, please let me know.
