Property Tax Rate Legal Options and Discussion

**City Council Budget Briefing
Monday, August 25, 2008**

Taxation Law

- State Law requires public notice of tax rate calculations
- Allows taxpayers to roll back or limit tax increase in certain cases

Effective Tax Rate

- The effective rate is the rate that generates the same amount of revenue in the new fiscal year on taxable property that was taxed in the previous fiscal year
- New construction not included in calculation
- FY 2008-09 Effective Rate = 71.8821¢

Rollback Tax Rate

- The rollback tax rate divides the overall property taxes into two categories:
 - General Fund
 - Debt Service
- The rollback rate includes an 8 percent increase on general fund taxes

Rollback Tax Rate (Cont'd)

- The rollback rate is: The effective general fund rate plus 8%, plus the tax rate required to pay debt service
- The calculated rollback rate is:
 - General Fund 53.4360¢
 - Debt Service 22.7452¢
 - 76.1812¢
- If the Debt Service rate changes (as a result of Council amendments to the budget), the rollback rate changes

Notice and Hearing Rate

- The Notice and Hearing rate is the lower of either the Effective or the Rollback rate
- FY2008-09 Notice and Hearing rate = 71.88¢

Notice and Hearing Rate Requirements

- **In order for a taxing unit to adopt a rate above the Notice and Hearing rate the following requirements must be met:**
 - Take a record vote for or against consideration of a specific tax rate higher than the Notice and Hearing tax rate;
 - Publish notice of the date and time for the 2 public hearings and the results of the record vote;
 - Hold 2 public hearings;
 - Publish Notice of Tax Revenue Increase includes date and time for the vote to set the tax rate;
 - Vote on the tax rate

Tax Rates

- Current = 74.79¢
- Effective = 71.88¢
- Notice and Hearing = 71.88¢
- Proposed = 74.79¢
- Rollback = 76.18¢

- If the tax rate were
 - Set at the Notice and Hearing Rate, revenues would decrease by \$25,512,877
 - Set at the Rollback Rate, revenues would increase by \$12,186,563

- 1¢ = \$8,767,312

Voter Options if the Adopted Tax Rate Exceeds the Rollback Rate

- Petition for an election
- At least 10% of the registered voters shown on the City's most recent official voter list must sign the petition
- Petition must be submitted to the City within 90 days of the tax rate adoption

City's Responsibility after Receiving a Petition for Rollback Election

- Determine if the petition is valid and pass a resolution regarding its validity within 20 days of receipt
- Set a rollback election date 30 to 90 days after the governing body rules on the validity of the petition
- If the rollback election fails, the adopted tax rate stands

City's Responsibility after Receiving a Petition for Rollback Election (cont'd)

- If the rollback election passes, a city must reduce its tax rate for the current year to the rollback rate (76.18¢)
- If the rollback election passes, the assessor must:
 - prepare and mail new tax bills
 - refund any taxes paid under original rate
 - postpone the delinquency date by the number of days between the date original bills were mailed and the date the corrected bills were mailed
