# Development Services Workplan

## ADDITIONAL REQUESTS:

- Code Amendments
- Authorized Hearings
- Neighborhood Plans
- Special Studies

## Current Approach:

- First come, first serve

# Development Services Workplan

## Advantages:

- Flexible
- Quickly respond to controversial issue

## Disadvantages:

- Backlog continues to grow
- No prioritization
- Lacks “big picture” view
- Unrealized expectations

# Development Services Workplan

---

## Council direction:

Staff recommends an annual review and approval of the departmental workplan (similar to the Auditor's office approach).

# Development Services Workplan

---

Questions?

# Long Range Planning

## Trinity River Planners:

- Prepare an implementation plan - based on council priorities for Trinity recommendations
- Work on adoption of new zoning code amendments needed to implement Trinity River recommendations on a broad scale
- Hold numerous stakeholder and public meetings
- Prepare detailed rezoning plans for each area to apply new zoning codes
- Coordinate other implementation activities relevant to rezoning with other departments
- Initiate and complete rezoning hearing process
