# Current Needs

---

## ○ Alley Petitions

- Builds new alleys requested by property owners through the Property Owner Petition Program. Property owners are assessed for a portion of the cost.
- Total Need - \$470 K
- Historically funded all projects in the Needs Inventory in the 95, 98, and 03 Bond Programs

## ○ Alley Reconstruction

- Reconstructs existing alleys at the end of their service life
- Total Need - \$256.83 M
- Level of investment in the 95, 98, and 03 Bond Programs - \$1.55 M per year

## Current Needs (cont'd)

---

- Barrier Free Ramps (new category)
  - Builds barrier free sidewalk ramps at requested locations
  - Total Need - \$1.45 M
  - Receive 480 requests for ramps each year.
  - Average cost is \$1,900 per ramp
- Bridge Repair and Modification
  - Corrects noted deficiencies in bridge infrastructure based on TXDOT inspections
  - Total Need - \$5.84 M
  - Level of investment in the 95, 98, and 03 Bond Programs - \$1.21 M per year
  - These are necessary repairs and modifications for safety and have possibility of leveraged funds.

## Current Needs (cont'd)

---

- Intelligent Transportation System (ITS) -Adaptive Signal Timing
  - Automatically changes signal timing to accommodate detouring traffic due to freeway incidents
  - Total Need - \$638 K
  - Level of investment in the 03 Bond Program - \$50 K per year
  - Need real-time software to be developed with new transportation computer system prior to further investment.
- ITS-Speed & Travel Time System
  - Installs toll tag readers on thoroughfares approaching the Dallas North Tollway in order to provide real time travel information on the thoroughfares.
  - Total Need - \$290 K
  - Need standardized toll-tag technology prior to further investment.

## Current Needs (cont'd)

---

- Intergovernmental Partnership Projects
  - Develops transportation projects with other governmental agencies
  - Total Need - \$298.37 M
  - Level of investment in the 95, 98, and 03 Bond Programs - \$8.11 M per year
  - Historically funded all projects in the Needs Inventory
- School Flasher Upgrades (new category)
  - Replaces outdated flasher system to allow flexible flasher schedules, increase reliability, eliminate underground cable repairs, and reduce electric bills
  - Total Need - \$5.57 M

## Current Needs (cont'd)

---

- Sidewalk Improvements
  - Provides new sidewalks requested by schools and the public for pedestrian safety and replacement of deteriorated sidewalks requested by property owners. Property owners are assessed for a portion of the cost.
  - Total Need - \$2.55 M
  - Level of investment in the 98, and 03 Bond Programs - \$1.21 M per year
- Sidewalk Petitions
  - Builds new sidewalk projects requested by property owners through the Property Owner Petition Program. Property owners are assessed for a portion of the cost.
  - Total Need - \$225 K
  - Historically funded all projects in the Needs Inventory in the 95, 98, and 03 Bond Programs .

## Current Needs (cont'd)

---

- Street Lighting-CBD Roadway Lighting
  - Addresses high number of requests for improved lighting in CBD.
  - Total Need - \$1.35 M
  - Level of investment in the 03 Bond Program - \$175 K per year
- Street Lighting-Enhanced Fixtures
  - Provides higher lighting levels in high pedestrian activity areas
  - Total Need - \$319 K
  - Level of investment in the 03 Bond Program - \$7.5 K per year
  - Growing increase in requests for additional lighting.

## Current Needs (cont'd)

---

- Street Lighting-Existing Thoroughfares (**new category**)
  - Provides consistent lighting levels on thoroughfares citywide. Five thoroughfares currently have no lighting.
  - Total Need - \$2.06 M
- Street Lighting-Freeway Lighting
  - Installs lighting on sections of freeways that currently have no lighting
  - Total Need - \$2.31 M
  - Need confirmation from TXDOT on freeway reconstruction schedules prior to further investment.

## Current Needs (cont'd)

---

### ○ Street Petitions

- Builds new streets requested by property owners through the Property Owner Petition Program. Property owners are assessed for a portion of the cost.
- Total Need - \$14.42 M
- Historically funded all projects in the Needs Inventory in the 95, 98, and 03 Bond Programs

### ○ Street Reconstruction Local Streets

- Addresses reconstruction needs of local streets at the end of their useful life.
- Total Need - \$64.94 M
- Level of investment in the 03 Bond Program - \$980 K per year

## Current Needs (cont'd)

---

- Street Reconstruction Thoroughfares
  - Addresses reconstruction needs of thoroughfares at the end of their useful life.
  - Total Need - \$205.19 M
  - Level of investment in the 95, 98, and 03 Bond Programs - \$4.95 M per year
- Street Resurfacing
  - Provides for resurfacing of streets to extend their useful life
  - Total Need - \$217.05 M
  - Level of investment in the 95, 98, and 03 Bond Programs - \$8.62 M per year

## Current Needs (cont'd)

---

- Streetscape/Urban Design
  - Develops landscape and urban design improvements.
  - Total Need - \$227.19 M
  - Level of investment in the 03 Bond Program - \$4.15 M per year
- Target Neighborhood
  - Provides city initiated improvements to bring residential streets to standard
  - Level of investment in the 95 and 03 Bond Programs - \$1.69 M per year

## Current Needs (cont'd)

---

- Thoroughfares
  - Builds new or widened thoroughfares as specified by the Dallas Thoroughfare Plan.
  - Total Need - \$2.318 B
  - Level of investment in the 95, 98, and 03 Bond Programs - \$6.54 M per year
- Traffic Accident Reduction Roadway Improvements (new category)
  - Improves accident analysis using existing police database and automate detection of accident trends. Funds countermeasures required to eliminate accident trends.
  - Total Need - \$396 K

## Current Needs (cont'd)

---

- Traffic Intersection Capacity and Safety Improvements
  - Provides safety and/or geometric improvements to existing intersections
  - Total Need - \$48.08 M
  - Historically funded through partnership projects to improve congestion and air quality.
- Traffic Safety Improvements – Guardrail Upgrades (**new category**)
  - Upgrades existing 1960's guardrail to current standards at 291 locations on thoroughfares (minor and residential streets to be in future phases).
  - Total Need - \$5.93 M

## Current Needs (cont'd)

---

- Traffic Sign Upgrades (new category)
  - Replaces existing traffic control signs
  - Total Need - \$25.91 M
    - Phase 1 - \$6.13 M (at signals and school crossings)
  - Visibility standards were increased by Federal Highway Admin. for needs of aging population. 80% of the city's 300,000 signs are older than 20 years and have low visibility.
- Traffic Signal Control Equipment Upgrades (new category)
  - Replaces existing signal controllers as design life is exceeded (incl. battery powered backups for power failures).
  - Total Need - \$6.64 M
  - Last citywide replacement was 1990 thru 2000.

## Current Needs (cont'd)

---

- Traffic Signal Upgrades-CBD
  - Installs signal mast arms at locations with visibility issues.
  - Total Need - \$6.81 M
  - Level of investment in the 03 Bond Program - \$600 K per year
- Traffic Signal Upgrades-Citywide
  - Installs signal hardware upgrades at locations with structural deficiencies or history of knockdowns.
  - Total Need - \$51.58 M
  - Level of investment in the 03 Bond Program - \$330 K per year

## Current Needs (cont'd)

---

- TSM (Traffic System Mgt.) - Dynamic Message Signs
  - Installs electronic message signs to display variable messages about incidents and congestion on freeways.
  - Total Need - \$1.84 M
  - Signs that are identified in the ITS Master Plan.
- TSM - Flood Detour Signs
  - Installs electronic message signs to give advanced warning of closures at major intersections.
  - Total Need - \$1.81 M
  - Complements existing flood warning system.

## Current Needs (cont'd)

---

- TSM-Roadside Cameras
  - Installs roadside cameras used to remotely view traffic so that messages regarding incidents may be posted or signal timing may be changed from City Hall.
  - Total Need - \$676 K
  - Level of investment in the 03 Bond Program - \$20 K per year
  - Cameras are for locations identified in the ITS Master Plan.
- Warranted Signals and School Flashers
  - Installs new traffic signals and school flashers as warranted.
  - Total Need - \$4.62 M
  - Level of investment in the 03 Bond Program - \$410 K per year
  - Historically receive requests for 5 new school flashers and 8 new warranted traffic signals per year.

## Current Needs (cont'd)

---

- Total needed for 32 individual categories as of March 31, 2006 - \$3.78 B
- The Needs Inventory is still being updated.
- Projects continue to be added, and costs and rankings continue to be revised.
- Costs are based on 2010 projections.

## Leveraged Funds from Other Agencies

---

- Existing Intergovernmental Partnership Projects with total value of \$160.58 M estimated to leverage \$112.94 M
- Pending project selection in calls for projects
  - Dallas County Major Capital Improvement Program – project selection Summer '06
  - Statewide Transportation Enhancement Program (STEP) – project selection late '06
  - NCTCOG Partnership Program 3 - project selection Summer '06

# Summary

---

- Street and Transportation needs address many of the Council's Key Focus areas;
  - Economic Development – providing for safe and efficient movement of people and goods and transportation to developing areas
  - Neighborhood Quality of Life
  - Public Safety
- Needs have grown from \$2.2 B in 2003 to \$3.78 B as of March 31, 2006
- These needs continue to be updated based on public input received recently from various stakeholders.
- The updated comprehensive Needs Inventory will be presented April 19, 2006

# Appendix A

## Street and Transportation Needs Inventory by Council District in Priority Order as of March 31, 2006

Note: The Needs Inventory is still being updated. Projects continue to be added. Costs and rankings continue to be revised.

Tier 2 projects are generally lower in priority and may not have a rank or cost estimate.
